Register for “iAM Smart+” Account for the Application of Student Grant (\$2500) (E23/24/005B)

1st September 2023

Dear Parents,

The Education Bureau (EDB) implements the electronic submission (e-Submission) of applications for student grant (\$2500) in government schools, aided schools, Caput schools and schools under the Direct Subsidy Scheme starting from the 2023/24 school year. Parents are encouraged to use the e-submission platform to submit online applications for the 2023/24 student grant during the specified period in September 2023. The EDB will announce the application period later.

To submit applications electronically, parents must have a user account of “iAM Smart+” with digital signing function. Parents are strongly encouraged to register for “iAM Smart+” in advance.

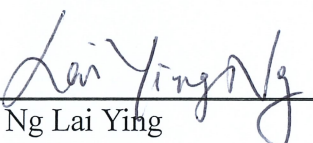

How to register for “iAM Smart+” account:

Register in-person at any time at the district “iAM Smart” self-registration kiosks or registration service counters with around 160 locations, including Post Offices in various districts.

Apart from submitting online applications via the e-submission platform, parents can still follow the existing practice to submit the completed paper application forms to the EDB through the schools. However, the application process will be longer. The EDB will announce the application period to parents who have not registered “i AM Smart+” later.

If you have any enquiries, please call 29810330 to contact Miss Kung.

Yours faithfully,

Ms. Ng Lai Ying
Principal
